FINEX TIMBER

"Finex Timber is committed to providing customers with the best quality products at reasonable prices. All Finex Timber products undergo rigorous quality checks before being introduced to the market to ensure safety and reliability for users.

In addition, Finex Timber has a team of experienced and enthusiastic employees who are always ready to support customers in the purchasing and use of products.

With a vision for sustainable development, Finex Timber strives relentlessly to become one of the leading companies in the timber industry, while actively contributing to economic and social development."

Showroom : 197 Adelaide Terrace, East Perth, WA 6004
